

SPEAKER'S INTRODUCTION

"Our next speaker is a world-leading educator who will teach us the power of communicating with clarity, conviction and compassion to raise our leadership game.

He is here to share with us his unique practical insights on how to move dramatically in improving your work, relationships and life through the power of conscious communication.

Painful life-changing events led him to a path of helping others to understand that outstanding communication is vital in all areas of business and life. He is part of the National Academy of Best-Selling Authors, a global conference speaker, TEDx speaker, premium mentor, trainer, and coach. He has 25+ years of global experience, has spoken in over 21+ countries and delivered talks to 51+ nationalities. His audiences say he is "Passionate, charming and most of all he speaks from the heart. He can move crowds so that the crowds can move mountains".

Ladies and Gentlemen, this man is on a quest to teach us all how to Speak In Flow. Will you please join me in enthusiastically welcoming, Rohit Bassi
